OR

- i. Candidates with A-Level qualifications must have a minimum of three principal passes with an aggregate of at least 9 points obtained in 2019, 2020 or 2021. For purposes of selection, A-Level grades are interpreted as follows: E=1; D=2; C=3; B=4; A=5; A*=6 (***Please note the difference in the interpretation of A-Level grades from those for IGCSE or O-Level grades***). Furthermore, candidates must have attained the appropriate grades for the subjects relevant to the programme(s) they are applying for either at O-Level or Advanced Subsidiary (AS) Level.

However, limited accommodation spaces are available in each respective university and candidates need to apply for those spaces following proper application procedures. Hence, candidates are encouraged to contact the respective universities once they are selected.
2. If you are successful, you shall be admitted on non-residential basis. Issues of accommodation are the responsibility of individual public university and not NCHE. If you would like to be accommodated on University campus, you will have to apply for the same to your respective University/College soon after the release of selection results and if accepted, you shall pay the University for your accommodation and meals. Because the University shall not have the capacity to accommodate all selected students on their campus, allocation of University accommodation shall be done based on respective University criteria.
